

Operation Crayon® was founded in 1999 by the AAP when the 105th Military Police Company deployed to Bosnia requested assistance with the schools they had adopted. They were in need of crayons to accompany thousands of donated coloring books for the children. The AAP was able to meet the need and today continues the effort not only in the Balkans, but also assists our military with their adopted schools and orphanages in Afghanistan and Iraq. The program has been extended to include school supplies, hygiene supplies and items of clothing for the children of these war-torn regions.

You can help by sending these desperately needed items: *children's clothing, undergarments, socks, new or gently used shoes, school supplies (pens, pencils, notebooks, writing tablets, workbooks, folders, crayons, etc.), candy, gum, toothpaste and toothbrushes.*

Your gift will be sent to a proud military unit who has adopted schools in, Iraq and/or Afghanistan.

For more information on how to participate, send an email to:

Arline Grant, Campaign Director
aapcampaign@yahoo.com

with the following info in the subject line:

Operation Crayon - Current Supporter (include your info and the name of your last Soldier)

Operation Crayon - New Supporter (first time supporter)

Please fill out the application at the top of our website and put Operation Crayon in the Comment's Section

AAP approval needed for participation

God Bless our Peacekeepers!
