

AAP Walking Wounded Program

Please extend a helping hand to AAP's Walking Wounded Program. AdoptaPlatoon assists our U.S. Troops who have been injured or wounded in Iraq or Afghanistan. Our Nation's injured and wounded Troops need extra help for themselves and/or their families financially paying utility bills, rent, car repair costs, or providing groceries for a month or two or helping with school clothes and school supplies for their children or just sending them to a baseball/football game to lift their spirits. Some of these Troops have endured many medical procedures, surgeries, and physical therapy and by extending an AAP helping hand, we are letting our active duty wounded warriors and our wounded veterans (Afghanistan and Iraq wars) know that America will never forget them and they are our HEROES.

AAP sends words of gratitude in advance to every American who steps forward to assist our Nation's Walking Wounded. YOU ARE MAKING A DIFFERENCE and making miracles happen and our Walking Wounded and their families are blessed by your kindness. THANK YOU!
